Statements That May Be Investigated
Testimony of Norway Citizens.

When a Norway citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Norway resident. No stronger proof of merit can be had.

W. O. Needham, retired farmer, Main St., Norway, Me., sa:—"Doan's Kidney Pills are the only kidney medicine I use, and they always give me relief. I never had any serious kidney trouble, but sometimes when I caught cold my kidneys were weakened. Several years ago I heard about Doan's Kidney Pills, and I began using them. They got my kidneys working right, and after that was done, the uric poison in my system was removed. I have obtained Doan's Kidney Pills at Stone's Drug Store, and I know that they can be relied on."

For sale by all dealers. Price 50 cts.

A Homeless Babe.

Written for the Advertiser.

In East Andover, Maine, a town you all know, A baby was left with no place to go; It was this poor little boy who was turned out of doors.

He was left in the street and forbidden to go to school with Uncle, who loved him so. But in the road stood till time did expire. To inquire what to do on the telephone wire. Then this little boy, who had only turned three, A shelter did find as you shall soon see.

I took and clasped him in my arms so tight, Though he sobbed and cried for his mother's night. And his uncle will who took him away With only a stranger to care for him that day.

His mother was going to Boston they said And a home for this baby could nowhere be had. His father and mother apart they do dwell, The town it must keep him, the truth I now tell.

And find him a home with some person kind, Who'll take and care for him and teach him to mind. "Mamma's gone way off," it did seem so sad, Then "I want Willie," was the uncle he had;

He was so hot and tired and so filled with grief, I could not and patted to bring him relief. I hope never again a witness to be, To such a sad scene, so heartless you see,

It seemed very hard to him to stand by, To see the child pleading and hear his and cry. No clothes to his back had this poor little chap, But coat, shoes and stockings and also a cap.

Some rubbers and shirt, a skirt too and a dress, With no clothes to change it makes a sad mess. Well, the town will furnish him some brand new clothes, Sometime in the future at least, I suppose;

Now the baby has stopped his crying so hard And plays all the day round the house or mill yard. I wish that some person so wise and so good, Would adopt this poor boy, I would if I could.

Will he bid you good bye, my story is o'er, Sometime in the future I may write you some more. These are facts. The little child was left at East Andover in the road between O. A. and H. Farrington's. It was terrible heartless sight to witness. I. C. S.

Smoke Sickle Plug—if you like real tobacco.

It's time and weather proof as far as tobacco can be—keeps its true tobacco flavor and moisture. This is not true of any other form of tobacco, because the firm plug and natural leaf wrapper are the best possible protections against dried-out, hot-smoking tobacco.

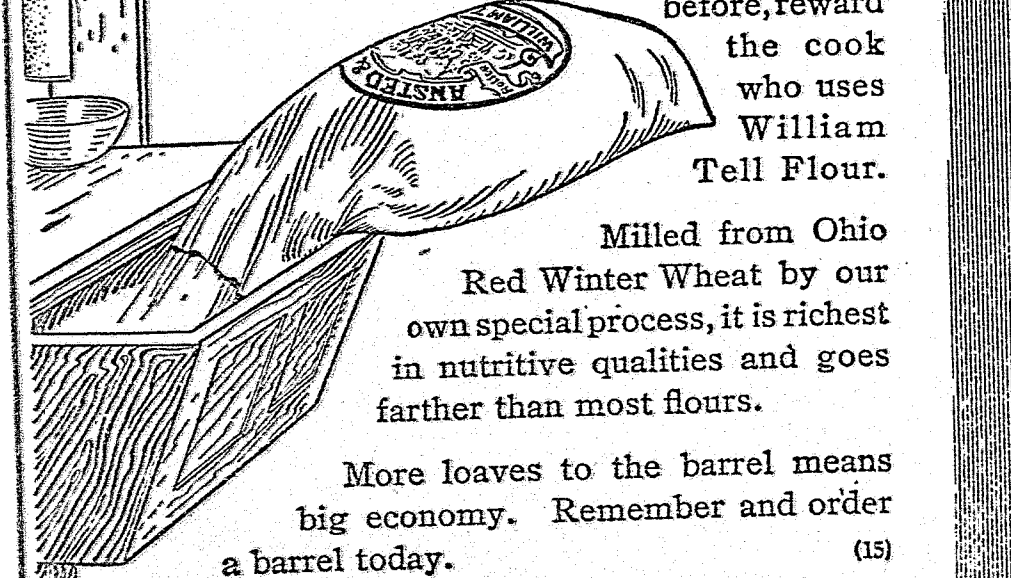

Convenient, too. Size just right. Then there's nothing to spill from pouch or package.

July Weather.

As this month of July is an important month to our farmer, I venture to make some weather suggestions. If I did not feel nearly sure from my experience and my literature, I should hesitate in writing these predictions. A regular storm period is due on the 9th to the 12th. During the 10th, 11th and 12th there will be a series of sharp thunder gusts, with black, blustering clouds and in some localities will get a heavy downpour of rain. We predict that the moisture will fall far short of the general necessities of the growing crops. 14, 15 and 16, scorching weather. A hot wave is due and cooler weather will follow. From the 19th to the 24th, there will be due high temperature, followed by local showers with vicious lightning, in many places cooler weather will follow for a brief period. On the 27th and 28th, black, threatening storms will return with thunder and lightning, with light, scattering rains. Diffused rains are not favorable. Drouth will probably be serious to all central to western regions.

Mrs. Hannah B. Cushman, who passed away at the home of her daughter, Mrs. Mae F. Bicknell, recently, was a real daughter of the American Revolution and it is said there are but five left in the State, one of them being her sister, Mrs. Warren, who is 73 years of age and the youngest. She was a respected member of the John A. Dodge Reilly Corps, and was a member of Bethel High School Chapter D. A. R. of North Anson. Her father, James Allen, Jr., lived to see three wars and served in two with distinction. He was born in New London, Ct., in 1762 and enlisted as a drummer in the army of George Washington when 14 years of age. He died at Canton in 1867 at the age of 105 years.
Mrs. Cushman was the widow of the late Stephen L. Cushman of Canton, a Civil war veteran. She was born in Canton, April 28, 1818, and was the daughter of Mr. and Mrs. James Allen, Jr. She was one of the family of eleven children, three of whom survive here—E. W. Allen of Livermore Falls, Osborne T. Warren of Augusta, and her sister with her when she passed away. Mrs. Cushman has three daughters and two sons living. They are Mrs. Mae Bicknell, with whom she has made her home for a year, and who has a tenderly cared for her in her last sickness; Mrs. Sadie E. Millett of Mechanic Falls; Mrs. Jennie A. Ellis of Otisfield; Elmer E. Cushman and Noyes S. Cushman of Canton. A son, Leon, died several years ago. Mr. and Mrs. Cushman always lived in Canton, where their children were born. Mrs. Cushman was a christian woman, uniting with the Baptist church at Canton when a young woman. She was a devoted and loving mother, a kind and sympathetic neighbor. She always had a smile and a kind word for everyone. She was a great sufferer, yet she bore it with patience and said:—"The Lord's will not mine be done."

"I have been using your 'L. F.' Atwood's Medicine for the last two years for biliousness and liver complaint. I have found that it is the one medicine which meets my case in every way.
